DID YOU KNOW?

- The Hebrew word for laver (*kiyyor*) properly means "something round."
- Something round, circular is entire, complete. All we need is in the Word of God.
- The "brazen sea" (2 Kings 25:13) and the "sea of glass" (Revelation 15:2) are figurative expressions of the brazen laver.
- To "stand on the sea of glass" is to stand on the Word. We cannot stand on it if we do not know (read and study) it.
- We must read the Word (the laver) to understand what Jesus' sacrifice (the altar) means.
